

Weddings at Cedar Breaks National Monument

Application

A permit is required to hold a wedding within Cedar Breaks. Follow the guidelines outlined here to ensure that your Special Use Permit is in place in time for your special occasion.

A Special Use Permit is required for any ceremony in the park. For a simple ceremony in a pre-approved area, the application and an application fee of \$100 must be received at least ten business days prior to the requested date. Until a Special Use Permit is approved and issued, the requested date and location cannot be guaranteed.

Your application fee covers the initial two hours spent on your application, including administrative costs incurred to communicate with applicant, park staff, wedding coordinator, etc. Additional fees will be incurred for any additional time necessary at the rate of \$50 per hour. Monitoring fees of \$50 per hour, per monitor (including travel time to permit location) may also be incurred, depending on location and complexity. Monitors are typically required for any approved wedding permit that is complex in nature, is of a large group size or is held in a location where there is a concern of impacts to visitors or resources.

Applications are available on the park website (in the permits section) and must be mailed with the application fee to: Zion National Park, Attn: Special Park Use Office, State Route 9, Springdale, UT 84767. FedEx and UPS also deliver to the park using the same address. Applications will be accepted by fax or scanned and emailed with signature. Original applications may be requested. At this time, Cedar Breaks is not able to accept credit cards.

Please read the following pages for location information and permit conditions before submitting your permit application. For additional information, you may contact the Special Park Use Office at 435-772-0210.

Locations

The location you choose may depend on the size of your group - or vice versa. No wedding permits will be approved for any group larger than 30 persons, and some sites have further restrictions. Permits will not be approved for any other area than those described below. Also keep in mind that these are public areas and the park will not exclude or allow you to exclude other park visitors from the site during your ceremony.
